

## Certificate of Analysis

**Certificate of Compliance for: Genelyn North America Asia**

**Product Name:** Arterial Formacell FM

**Product Manufacture Date:** January 9, 2025

**Product Batch Number:** GEN25006

| Test Performed:                                                       | Lower Limit                    | Upper Limit | Results |
|-----------------------------------------------------------------------|--------------------------------|-------------|---------|
| Specific Gravity                                                      | 1.01                           | 1.1         | 1.0719  |
| pH                                                                    | 7.45                           | 8.25        | 8.084   |
| Formaldehyde Content (g/100ml)                                        | 27.45                          | 29.0        | 27.702  |
| Proprietary Ingredient (Protein Denaturation, microbial preservation) | not added to product           |             |         |
| Colour                                                                | Light Coral Red - within range |             |         |

**Test Certified by: QC Department on January 13, 2025**
